You further expressly understand and agree that LetsBuild and its licensors shall not be liable to you for the deletion of, corruption of, or failure to store any User Content and other communications maintained or transmitted by or through your use of LetsBuild.
 - II. You acknowledge that complex software is never entirely free from security vulnerabilities; and subject to the other provisions of these Terms of Use, LetsBuild gives no warranty or representation that the Services we offer will be entirely secure. This is because there are security and privacy limitations of the Internet, which may be beyond our control. The security, integrity and privacy of any and all information and data exchanged within the Products cannot be guaranteed; and any such information and data may be viewed or tampered with in transit by a third-party, despite our best efforts. Moreover, you further expressly understand and agree that LetsBuild and its licensors shall not be liable to you for late delivery should the Internet fail locally, or at any geographical location where the transcriptionist is located, if no fault of their own.

LetsBuild

- III. You acknowledge and agree that LetsBuild holds no liability to you for any misuse or loss of User Content by third parties. In particular, you acknowledge and agree that no refund or compensation will be due to you from LetsBuild, and you further acknowledge and agree that since LetsBuild has no control over the content and/or quality of the User Content, this limitation of LetsBuild's liability to you is reasonable.
- IV. You agree and acknowledge that you are in a better position than LetsBuild to foresee and evaluate any potential damage or loss that you may suffer in connection with the use of the Products; that LetsBuild cannot adequately insure its potential liability to you; and that accordingly the exclusions and limitations contained in this clause are reasonable. You undertake at all times to mitigate any such damage or loss.
- V. Nothing in these User Terms shall exclude or limit any warranty or liability which may not be lawfully excluded or limited by applicable law, including liability for fraud or for death or personal injury caused by LetsBuild's negligence.
- VI. Any material (including User Content) downloaded or otherwise obtained or accessed through the use of the Products is done at your own discretion and risk, and you will be solely responsible for any damage, loss, or prejudice to your computer system or other device or loss of data that results from the download or access of any such material.
- VII. For you to make full use of the Products, it may be necessary for you to use particular computer equipment or to download or install certain pieces of software. If you are unable to access all or part of LetsBuild because you do not have access to any necessary software or equipment, this shall not constitute a breach of these Terms of Use and LetsBuild shall not be liable for any loss, damage or expense which may result from your inability to access the Products.
- VIII. You expressly understand and agree that your use of LetsBuild is at your sole risk and that LetsBuild is provided on an "as is" basis.

If you subscribe for a trial period, a separate license is applicable for the duration of the trial period.
- c. The license granted under your subscription is only for the sole purpose of using the Services under this Agreement and for your own lawful internal business purposes. Unless otherwise mentioned in writing, the license cannot be transferred or (sub-)licensed to any other third-party, in whole or in part, without the prior written approval of LetsBuild.

- d. Except for the rights of use and other rights specifically granted herein, no other rights are granted to you, either express or implied, and no obligation shall be implied requiring the grant of further rights. You hereby expressly acknowledge that the use of a Service provided by LetsBuild does not involve or imply a transfer of any Intellectual Property Rights to you.

XXV. INTELLECTUAL PROPERTY RIGHTS

- a. You acknowledge and accept that between you and LetsBuild, and without prejudice to any third party's intellectual property rights, all intellectual property rights in and to LetsBuild and all elements or components of the Website and Products are and shall remain the exclusive property of LetsBuild. All present and future rights in and title to LetsBuild, including the right to grant access to it over any present or future technology, are solely and exclusively reserved to LetsBuild.
- b. Nothing in these Terms of Use shall be construed as assigning or conferring you the ownership of any intellectual property rights. Only those rights expressly set forth in these Terms of Use are granted to you. Under these Terms of Use, you are only permitted a limited use of the intellectual property rights here above mentioned. You shall refrain from any action that would jeopardize, limit or adversely affect LetsBuild's intellectual property rights. You acknowledge and accept that that any use of these intellectual property rights other than authorised Terms of Use constitutes a breach of these Terms of Use and an infringement of intellectual property laws, including but not limited to those on copyrights and trademarks, and may result in automatic and immediate termination of your right to use the Products and your User agreement, without notice and without prejudice to any damages that you might be liable to pay.
- c. Except with LetsBuild's express and prior authorisation (including under these Terms of Use), you may not copy or download any part of the Website or its content.
- d. You accept that you shall not remove, obscure or alter any proprietary rights or notices affixed to or contained within any part of the Product or the Website. - e. We are entitled to freely use any feedback, comments, or suggestions you send us or post in our forums about the Website or the Service ("Submissions") without any obligation to you. This will not result in any right to LetsBuild or any part thereof belonging to you. LetsBuild shall own exclusive rights, including all intellectual property rights, and shall be entitled to the unrestricted use and dissemination of these submissions for any purpose, commercial or otherwise, without acknowledgment or compensation to you.

XXVI. PRICING AND PAYMENT TERMS

Payment must be made in full for continued use of the Services.

LetsBuild

- b. You agree to pay the applicable fees and any applicable tax or fee that may accrue in relation to all use of the Services accessed through your account, including all fees resulting from unauthorised use.
- c. The Services of the two Products can be acquired separately by you for the time being.
- d. All LetsBuild plans are priced per month but paid upfront for 12 months or more. You can upgrade, downgrade or cancel them depending on your contract, or pass the cost onto your customers. When you purchase the right to use either Product on a subscription basis, you acknowledge and agree that this is a recurring payment and payments shall be made to LetsBuild by the method you have chosen in advance at the recurring intervals chosen by you, until that subscription is terminated by you or by LetsBuild. Regardless of the subscription, you will pay the subscription fee in advance.
- e. LetsBuild may change the prices at any time without any prior notice to you. You can choose whether to accept the new prices prior to completing your next purchase. The new prices will apply to your next purchase after the new prices have been published or, for subscriptions, at the end of the current contract or subscription period (and you will be informed of the new prices before your payment for the next period is made). Any price change will not affect existing contract terms or subscriptions, it will only apply to new contract terms or subscriptions.
- f. If you are in default with any payment obligations (immediately after the first non-payment), we are entitled to deny access to the Products and/or terminate our agreement with you without notice.
- g. Your purchase may be subject to foreign exchange fees or differences in prices based on location (e.g. exchange rates). It falls under your responsibility to bear any additional costs as a result of this.
- h. The invoices of each payment will be sent to the email indicated by you and can be requested by sending an email to support@letsbuild.com.
- i. We reserve the right to assert further claims for default of payment.
- j. Any third-party applications or third-party product will be subject to the pricing of and are the sole responsibility of each individual vendor.

XXVII. TRIAL PERIOD

- a. For the APROPLAN Product, you have the possibility to request (only) one (1) trial period free of charge per Location, in order to experience the features and functionalities of the Services that are provided by the product ahead of making a purchasing decision. If you renew your account, you will not be eligible for another free trial period for the same Location. If LetsBuild discovers that you have registered several times for trial periods for a certain Location, LetsBuild reserves the right to restrict or terminate any of your client accounts in LetsBuild's sole discretion and/or to refuse all current or future use of the Services (or any part thereof).
- b. LetsBuild makes its Services available to you with full access to all functionalities and full support, during the period under this Section. For Services used during the

trial period, LetsBuild does not make any binding commitments or obligations in connection with the Services, as the Services are provided “as is” and “as available” during the period under Section XXVII.

- c. The trial period starts from the date of the creation of your account, which is confirmed by an approval sent by LetsBuild to the email address provided by you.
- d. The trials are free for 30 days, unless your use of the Services is terminated earlier in accordance with these Terms of Use. As soon as the trial period expires, your access will be immediately terminated, except if you purchase a client subscription. Should that be the case, your account will continue as a free basic account as per our pricing plans.
- e. LetsBuild has the right to modify the conditions of the trial period or to discontinue it entirely at any time, without any prior notice, including, but not limited to, when LetsBuild is of the opinion that you requested a trial period not to make any procuring decision, but for any other (unlawful) purpose such as to perform industrial espionage.

XXVIII. DURATION AND TERMINATION OF YOUR USER AGREEMENT

- a. Depending on the pricing model, the Agreement is formed for an indefinite term or for a certain fixed minimum term (hereinafter “Agreements with a Minimum Term”).
- b. Agreements for an indefinite term may be terminated at any time by either party. For Agreements for an indefinite term, changing to a different User category does not constitute the termination of the Agreement. We only adjust the terms of compensation and rights to your new User category.
- c. Agreements with a Minimum Term will be in force until the end of the agreed period and will automatically renew for the same period of time, unless you or we terminate them before the end of the current period.

- h. Any and all refund payments hereunder will be made in the same form as you initially made payment.
- i. LetsBuild may at any time, terminate the agreement with you and remove access to the Product from you if:

- d. LetsBuild will use its reasonable endeavours to complete the investigation within 7 business days of the complaint being raised. Should the dispute be upheld, LetsBuild and you will work together to decide on the best course of redress .
